Closure Date: 12/23/2016

Notes: While many students will graduate at the end of the semester, not all students will have completed their programs. A formal Teach Out Plan with Bryant and Stratton College was filed last summer with the New York State Education Department. Bryant and Stratton College held transfer days at both campuses and is working with all remaining USC students. In addition, Transfer Days took place at both campuses where Mohawk Valley Community College, Herkimer College, Utica College, SUNY Poly, SUNY Morrisville, Empire State College, Cazenovia College, Columbia College, and Bellevue College participated. Leslie Templeman and Maribeth Krupczak, at the New York State Education Department, were provided with a full roster of students, including the status of each student, so that we, collectively, could determine what would be best for our students. As was said in the first paragraph, it has been agreed to the transferring colleges, that those students who would graduate in May, 2017, will transfer their applicable credits back to USC for the awarding of completed Certificates or Degrees.

Student Arrangements: The school transmitted the current student roster to the New York State Education Department earlier this month. Grades for this semester will be posted and distributed for the fall semester on or about January 3, and Sue Cumoletti, of Bryant and Stratton College is keeping a full log of all USC students needing Teach Out.
